

Toowoomba Orchid Society

Show Schedule

Spring Show 2017

Friday 15th to 19th September

St Pauls Lutheran Church Hall, Cnr. James & Phillip Sts, Toowoomba
Benching of Orchids for Display from 4:30pm - 6pm THURSDAY 14th

Sales plant after 6pm Thursday

NO PLANTS BEFORE 4:30pm PLEASE

Judging starts 7.30pm Thursday

SHOW CHAMPIONS

Grand Champion
Reserve Champion
Champion Novice
Champion Specimen
Champion Seedling
Champion Species
Champion Junior

SECTION CHAMPIONS

Champion Australian Native
Champion Sarcochilus
Champion Cymbidium
Champion Dendrobium Alliance
Champion Laeliinae Alliance
Champion Lycaste
Champion Oncidiinae Alliance
Champion Paphiopedilum Alliance
Champion Phalaenopsis Alliance
Champion Pleurothiad Alliance
Champion Vandaceous Alliance
Champion Zygopetalum Alliance

Continued Next Page

Champion Any Other Genus
Champion Foliage

Continued Next Page

AUSTRALIAN NATIVE

Notes:

- A1 Dendrobium - predominately Yellow
- A2 Dendrobium - predominately Purple/Pink/Red
- A3 Dendrobium - predominately White
- A4 Dendrobium - any other Colour
- A5 Dendrobium - (Dockrillia type) Hybrid
- A6 Sarcochilus - predominately White
- A7 Sarcochilus - predominately Pink/Red
- A8 Sarcochilus - predominately Spotted
- A9 Sarcochilus - any other Colour
- A10 Sarcochilus - seedling
- A11 Terrestrial Hybrid
- A12 Australian Native Hybrid (Other)
- A13 Australian Hybrid Seedling
- A14 Australian Species Seedling
- A15 Dendrobium kingianum
- A16 Dendrobium speciosum
- A17 Australian Native Dendrobium Species (Other)
- A18 Australian Native Any Other Species
- A19 Terrestrial Species
- A20 Sarcochilus - species hartmannii
- A21 Sarcochilus - species fitzgeraldii
- A22 Sarcochilus - species other
- A23 Australian Native "Special"

CYMBIDIUM

- Notes:* Standard Type - Majority of blooms > 90mm
Intermediate Type - Majority of blooms 61mm - 90mm
Miniature Type - Majority of blooms 30mm - 60mm
Ultra Miniature Type - Majority of blooms < 30mm

- B1 Standard Cymbidium - predominately Pink/Red
- B2 Standard Cymbidium - predominately Green/Yellow
- B3 Standard Cymbidium - predominately White
- B4 Standard Cymbidium - Pure Colour
- B5 Standard Cymbidium any other Colour combination of Colours
- B6 Intermediate Cymbidium - predominately Pink/Red
- B7 Intermediate Cymbidium - predominately Green/Yellow
- B8 Intermediate Cymbidium - predominately White
- B9 Intermediate Cymbidium - Pure Colour
- B10 Intermediate Cymbidium any other Colour combination of Colours
- B11 Miniature Cymbidium Pink/Red

Continued Next Page

CYMBIDIUM

Notes: Standard Type - Majority of blooms > 90mm
Intermediate Type - Majority of blooms 61mm - 90mm
Miniature Type - Majority of blooms 30mm - 60mm
Ultra Miniature Type - Majority of blooms < 30mm

- B12 Miniature Cymbidium Green/Yellow
- B13 Miniature Cymbidium White
- B14 Miniature Cymbidium any other Colour combination of Colours
- B15 Ultra Miniature Cymbidium (any Colour)
- B16 Cymbidium - Novelty
- B17 Cymbidium Species
- B18 Cymbidium Seedling
- B19 Cymbidium "Special"

DENDROBIUM ALLIANCE

Notes:

- C1 Softcane - predominately White/Yellow
- C2 Softcane - predominately Purple/Pink/Red
- C3 Softcane - Any other Colour
- C4 Hardcane - predominately White (Ceretobe/Phalanthé/Spatulata)
- C5 Hardcane - predominately Purple (Ceretobe/Phalanthé/Spatulata)
- C6 Hardcane - Any other Colour (Ceretobe/Phalanthé/Spatulata)
- C7 Dendrobium - other type Hybrid
- C8 Dendrobium Seedling
- C9 Dendrobium Species
- C10 Dendrobium "Special"

LAELIINAE ALLIANCE

Notes:

- D1 Exhibition Type - Miniature White (Blooms up to 60mm)
- D2 Exhibition Type - Miniature/Lavender/Pink (Blooms up to 60mm)
- D3 Exhibition Type - Miniature Any other Colour (Blooms up to 60mm)
- D4 Exhibition Type - White (Blooms 61 to 80mm)
- D5 Exhibition Type - Lavender/Pink (Blooms 61 to 80mm)
- D6 Exhibition Type - Any other Colour (Blooms 61 to 80mm)
- D7 Exhibition Type - White (Blooms 81 to 110mm)
- D8 Exhibition Type - Lavender/Pink (Blooms 81 to 110mm)
- D9 Exhibition Type - Any other Colour (Blooms 81 to 110mm)
- D10 Cluster Type Cattleya - more than 5 blooms per stem
- D11 Novelty Cattleya (Inc: spotted, striped and cocktail)
- D12 Laeliinae Alliance species

Continued Next Page

LAELIINAE ALLIANCE

Notes:

- D13 Laeliinae Alliance Seedling
- D14 Laeliinae Alliance Intermedia
- D15 Exhibition Type - Large White (Blooms over 110mm)
- D16 Exhibition Type - Large Lavender/Pink (Blooms over 110mm)
- D17 Exhibition Type - Large Any other Colour (Blooms over 110mm)

LYCASTE

Notes:

- E1 Lycaste - predominately Red/Pink
- E2 Lycaste - any Colour
- E3 Lycaste - Species
- E4 Lycaste - Seedling
- E5 Lycaste "Special"

ONCIDIINAE ALLIANCE

Notes:

- F1 Oncidiinae/Gomesa type- predominately Yellow
- F2 Oncidiinae/Gomesa type- predominately Brown/Red
- F3 Oncidiinae/Gomesa type- predominately White/Green
- F4 Oncidiinae/Gomesa type- any other Colour
- F5 Oncidiinae Exhibition type- predominately Yellow
- F6 Oncidiinae Exhibition type- predominately Brown/Red
- F7 Oncidiinae Exhibition type- predominately White/Green
- F8 Oncidiinae Exhibition type- any other Colour
- F9 Oncidiinae Non-Exhibition- (starry) predominately White/Green
- F10 Oncidiinae Non-Exhibition - (starry) predominately Yellow/Brown
- F11 Oncidiinae Non-Exhibition - (starry) predominately Red/Pink
- F12 Oncidiinae Non-Exhibition- (starry) any other colour
- F13 Oncidiinae miniture type (Twinkle style)
- F14 Equitant/Tolumnia - any colour (Skirt/Labellum up to 35mm)
- F15 Equitant/Tolumnia - any colour (Skirt/Labellum >35mm)
- F16 Oncidiinae - Species
- F17 Oncidiinae - Seedling
- F18 Oncidiinae Alliance "Special"

PAPHIOPEDILUM ALLIANCE

Notes:

- G1 Paphiopedilum Classic type - predominately Yellow/Green
- G2 Paphiopedilum Classic type - predominately Red
- G3 Paphiopedilum Classic type - predominately Brown
- G4 Paphiopedilum Classic type - Spotted
- G5 Paphiopedilum Classic type - any other Colour
- G6 Paphiopedilum Maudiae (Barbata type) - Coloratum
- G7 Paphiopedilum Maudiae (Barbata type) - Albinistic
- G8 Paphiopedilum Maudiae (Barbata type) - Vinicolour
- G9 Paphiopedilum - Primary Hybrid (Not greater than 2 flowers)
- G10 Paphiopedilum - Novelty Hybrid (inc braci and Parvi type, < 3 flowers)
- G11 Paphiopedilum - Multifloral
- G12 Paphiopedilum - Sequential
- G13 Phragmipedium - any colour
- G14 Phragmipedium - species
- G15 Phragmipedium - seedling
- G16 Paphiopedilum - species
- G17 Paphiopedilum - seedling
- G18 Paphiopedilum Alliance "Special"

PHALAEOPSIS ALLIANCE

Notes:

- H1 Phalaenopsis Hybrid - predominately White/Pink > 60mm
- H2 Phalaenopsis Hybrid - predominately Striped or Spotted >60mm
- H3 Phalaenopsis Hybrid - predominately Any Other Colour >60mm
- H4 Phalaenopsis Hybrid - predominately White/Pink <60mm
- H5 Phalaenopsis Hybrid - predominately Striped or Spotted <60mm
- H6 Phalaenopsis Hybrid - predominately Any Other Colour <60mm
- H7 Phalaenopsis Novelty
- H8 Phalaenopsis - Species
- H9 Phalaenopsis - Seedling
- H10 Phalaenopsis Alliance "Special"

PLEUROTHIAD ALLIANCE

Notes:

- J1 Pleurothallid Hybrid - any colour
- J3 Dracula Hybrid - any colour
- J4 Restrepia Species

Continued Next Page

PLEUROTHIAD ALLIANCE

Notes:

- J5 Pleurothallid - Species (Inc: Masdevallia and Dracula)
- J6 Pleurothallid - Seedling (Inc: Masdevallia and Dracula)
- J7 Pleurothallid Alliance "Special"
- J8 Masdevallia Red/Purple
- J9 Masdevallia Yellow/Orange
- J10 Masdevallia Stripped/Spotted
- J11 Masdevallia Any Other Colour
- J12 Masdevallia White

VANDACEOUS ALLIANCE

Notes:

- K1 Vandaceous Hybrid
- K2 Vandaceous - Species
- K3 Vandaceous - Seedling
- K4 Vandaceous "Special"

ZYGOPETALUM ALLIANCE

Notes:

- L1 Zygopetalum Alliance Hybrid (Filled-in/Rounded Flower)
- L2 Zygopetalum Alliance Hybrid (starry type)
- L3 Zygopetalum Alliance Seedling
- L4 Zygopetalum Alliance Species
- L5 Zygopetalum Alliance "Special"

ANY OTHER GENUS

Notes:

- M1 Dendrochilum species
- M2 Coelogyne species
- M3 Any Other Genus - Species
- M4 Any Other Genus Hybrid
- M5 Any Other Genus - Seedling
- M6 Best Foliage Orchid (Without Flowers eg. Jewel Orchids/Maudiae Paph)
- M7 Any other Genus "Special"

CUT FLOWER

Notes: Not judged as a flower arrangement. Orchids Only

- N1 Single Spray of Orchids
- N2 Single Flower Orchid

FOLIAGE

Notes:

- P1 Best Fern
- P2 Best Foliage
- P3 Best Bromelaid

NOVICE GROWER

Notes:

- Q1 Laeliinae Alliance - Novice
- Q2 Cymbidium Standard- Novice
- Q3 Cymbidium Intermediate or Miniature - Novice
- Q4 Dendrobium Alliance - Novice
- Q5 Lycaste Alliance - Novice
- Q6 Oncidiinae Alliance - Novice
- Q7 Paphiopedilum Alliance - Novice
- Q8 Phalaenopsis Alliance - Novice
- Q9 Pleurothaid Alliance - Novice
- Q10 Vandaceous Alliance - Novice
- Q11 Zygopetalum Alliance - Novice
- Q12 Any Other Genus - Novice
- Q13 Australian Native Species - Novice
- Q14 Australian Native Hybrid - Novice
- Q15 Species Exotic - Novice
- Q16 Seedling - Novice

JUNIOR GROWER

Notes:

- R1 Laeliinae Alliance - Junior
- R2 Cymbidium Standard- Junior
- R3 Cymbidium Intermediate or Miniature - Junior
- R4 Dendrobium Alliance - Junior
- R5 Lycaste Alliance - Junior
- R6 Oncidiinae Alliance - Junior

Continued Next Page

JUNIOR GROWER

Notes:

- R7 Paphiopedilum Alliance - Junior
- R8 Phalaenopsis Alliance - Junior
- R9 Pleurothaid Alliance - Junior
- R10 Vandaceous Alliance - Junior
- R11 Zygopetalum Alliance - Junior
- R12 Any Other Genus - Junior
- R13 Australian Native Species - Junior
- R14 Australian Native Hybrid - Junior
- R15 Species Exotic - Junior
- R16 Seedling - Junior

Toowoomba Orchid Society inc. Judging Rules For Judges

Schedule Rules & General Conditions for TOS shows.

Rules & Conditions:-

1. All entries are free and opened to all current financial members of The Toowoomba Orchid Society Inc. (financial means, as at the last general club meeting prior to the show). Members wishing to bench plants and or sell plants must have attended five General meetings and or tendered apologies during the past 12 months. The Show Committee has the power to waive this condition in special circumstances eg: new member.
2. The show shall be judged in accordance with AOC Rules unless otherwise stated in the schedule.
3. Plant tags must be securely fixed as close as practicable to the flower.
4. All plants must be tabled by the time specified in the schedule.
5. Show Marshall (in communication with at least one other show committee member) will ask stewards to remove plants that are considered not in show bench condition or considered '**potentially diseased**' or infected by insects (This includes **any sales plants** in club sales area).
6. All plants MUST have been owned by the exhibitor for a minimum of (6) six months prior to the commencement of the Show.
7. Staking and tying shall be sufficient to support the inflorescence, but shall be unobtrusive and not detract from the display of the bloom. Ties must be removable.
8. A seedling plant is identified as one which is "**flowering for the first time**"; which has been raised by seed and not a mericlone or a division of an older plant. It is to be identified by an additional pink label with the word 'Seedling' printed on it.
9. A specimen plant is identified as a **single clone** carrying many spikes as appropriate to its genera as defined by judges. It is to be '**one plant**' and not several of the same clone/s placed together. The plant will have a large number of flowers and show evidence of good culture over a long period of time.
10. Any inflorescence being judged from which a flower or bud has been removed or is missing (e.g. may be transport damage) on the spike shall be included in judging (at judge's discretion) unless the missing flower or flowers are not presented with the plant.
11. A pollinated, dead or dying flower shall not disqualify that plant from judging but will detract from the quality of the plant.
12. A minimum of 50% of the flower/flowers on a plant or inflorescence must be fully opened before it is eligible to be judged. The exception to that is if they are a sequentially flowering plant.
13. All classes that are on the show schedule will be judged. If there is only one or two in the class and judges consider the plants worthy of a placing then they are to be awarded as appropriate (1st, 2nd, 3rd). If the flower quality is not up to a standard appropriate to the judging panel then judges do not need give placings/awards.
14. Plants are to be exhibited in one class only, except for Champion's classes,

Grand Champion and Reserve Champion.

15. The Show Marshall shall answer any question on eligibility, definitions, classification or interpretations requiring a ruling. All decisions the show marshall delivers on are final & non-negotiable.

16. No plant or plants may be removed from the show except for judging purposes or until the completion/end of the show. This can be waived only after permission is given by the show marshall and/or the Show Committee.

17. An Australian Native Orchid is defined as a native orchid species as being found on the Australian mainland or any coastal island under the political control of an Australian State or territory, but does not include natural hybrids.

18. An Australian Native Hybrid, including natural hybrid, is the progeny exclusively of Australian Native Orchid Species or their hybrids, that is to say, no exotic orchid shall be included in their ancestry.

19. In Championship classes only a first place will be awarded.

20. The Grand Champion Orchid of the show shall be selected from the winners of the "Section Champions". Reserve Champion Orchid shall be selected from the remaining winners ("Section Champions") plus the second best orchid chosen from the sectional group from which the Grand Champion Orchid was chosen.

21. Classes and/or amendments may be made to the Show Schedule in any section as required by the show committee or Show Marshall on the night of judging.

22. The judge's decision is FINAL and non-negotiable.

Judging Panel Leader:

The Club requests that the judging panels are divided so that each panel judges complete genera sections (thus a single panel can then judge sectional champions as they go) and the Judging Panel Leader accepts this request from the club. Please no splitting of sections between panels. This is requested to assist in the shortening of judging panel time for our shows.

The Committee of Toowoomba Orchid Society Inc., will take all reasonable care but will not accept any responsibility for the theft, loss, destruction or damage occasioned to orchids & or other entries or items, either during transport to & from the venue or while on display at the show.

All entries must be on the bench at the show venue by 6:00pm.

For any other information please contact:

The Secretary, Toowoomba Orchid Society Inc. P O Box 7710,
