October 2015

TAN BARK

www.toowoombaorchidsociety.org.au

From the President's desk.

What a spring show we had again this year. Almost 400 orchids and foliage and the new venue worked a treat with the highest attendance numbers on record. Around 2500 paying patrons passed through the doors, which was quite remarkable considering the lack of custom from most of the Brisbane clubs as they'd all been up for the conference or were in Mackay at the National AOC conference which ran concurrently with our show. All in all a very successful event both in quality and quantity of blooms and profit. So well done everyone who helped out and exhibited and also congratulations to the winners. Some really beautiful orchids produced once again.

As I write this I'm looking at some of the plants (that I just had to have despite not having room) that I got on the bus trip yesterday. We had quite a good roll up with 36 members visiting 2 shows and a couple of nurseries as well. Something to cater for everyone. We saw some beautiful blooms at the two shows. Bought plants from the sales areas which was quite a feat at Ipswich as the sales section was jam-packed with plants and people. In fact at one stage later in the day, members were asking the bus driver if he could fit in extra plants before committing to a purchase. Back in Toowoomba by 5.30 so a really excellent excursion enjoyed by all.

Don't forget the Summer show (yes I know, another one!!) which will setup from 3pm on the 16th of October and finish at 4pm on the 17th.

Enjoy your plants.

John

Well what an awesome spring show! Congratulations to our Grand Champion Mal Martin, Reserve Champion Max & Robyn Bishop, and Novice Champion Fred Reid, along with all the other champions of the various classes. I'd like to take this opportunity to congratulation all the members who entered plants as you are all champions too. Without you there would not have been such an awesome display of plants for us and the public to marvel over. It amazes me at each show the number of wonderful orchids we all have and the diverse range of genera that we are able to grow in our area. Well done everyone.

Don't forget to get your plant lists in to Steve or Murray by the 12th October for the summer show. Please take the time to get your lists correct, and if you think there is a chance flowers may be open then put it on your list. Easier to tear up an un-needed label than to enter additional plants later on. Please send all of your plants in one list as sending multiple lists causes issues.

I always find it enjoyable going through the orchid houses picking which orchids to take to the shows and then the joy and yes sometimes sadness when it comes to working out which orchids to put on the sales table, especially when room has become an issue.

I am so glad to hear that everyone had such a wonderful time on the bus trip. Due to prior commitments sadly we were unable to go, sometimes it really is a pity we can't be in two places at once. So glad to hear that members came home with a lot more plants to add to their collections and I look forward to seeing them in future shows. With the year quickly drawing to a close we have our annual Christmas Dinner to look forward to, and this year we are doing things a bit different. Instead of having our Dinner after our November meeting we are having it on the 4th December at Angelo's House, Herries Street, Toowoomba commencing at 6.30pm. Could all those wishing to attend please contact Carolyn Woolf, as definite numbers are needed by Angelo's House.

I'd also like to take the opportunity to apologise to Fred for the quality of the novice champion presentation photo. We decided to use it as it was the only one we had. So sorry Fred.

Sonia & Steve

Date Claimers & Information for Members

Summer Show: 17th October at St Pauls Lutheran Church Hall.

Upcoming Shows in other districts

IMPORTANT MESSAGES FOR MEMBERS

- 1. Election of new Show Committee will take place at the October meeting.
- 2. The position of Database Custodian needs to be filled for next year. Time for someone else to step up to the plate and have a go. The Database keeps all Members, Show and Meeting competition records and runs the Shows. The Summer Show will be my last. This position needs to be filled before the end of the year. Anyone interested in taking this on, please contact John Terry ASAP.
- 3. Don't forget to contact Carolyn regarding Christmas Dinner. 😊
- 4. Don't forget your plant lists for Summer Show needs to be in by 12th
- 5. Also Trophies need to be returned to Elmo ASAP
- 6. Set up for the summer show is 3pm 16th October, all willing and able hands available to help is always appreciated.
- 7. Runners needed as usual on judging night. Thanks in advance to all those who put their hands up. Much appreciated.

Buy, Swap or Sell

Remember –If you have plants spare and would like to sell them, you can bring them along to meetings and sell them. No commission is charged

Pots and accessories are available from Elmo and Judy. 9 Donaghy Crt. Highfields. Phone 46155148.

| Species | Paph. tonsum var. curtisifolium | Martin M |

Champion Dendrobium

Champion Foliage

Champion Native Den Species

A bit of fun and frivolity is always on the cards when it comes to show time. This next photo was sent with a special request to put it in Tanbark, so here it is. ^(C)

Thought for the day

There is a difference between giving up, and knowing when you have had enough.

See you all at the Summer Show Judging Night, Friday 16th October. St Pauls Church Hall

Check out our NEW Website http://www.woolforchidculture.com

Flasks and Plants

Our new 2015 listings contain many new Mericlones & seedlings in Aussie Dendrobiums, Aussie Sarcochilus, Catasetums, Cattleyas, Cymbidiums, Oncidium Alliance, Phalaenopsis, Promenaeas, Species and Zygopetalums.
